TEXAS DIGITAL LIBRARY

Membership with Texas Digital Library allows you to:

GET DISCOVERED

Curate a repository of your digital materials, including scholarly works of students and faculty as well as special collections of cultural significance – all discoverable by online search engines.

INCREASE YOUR IMPACT

Promote your scholarship by making research data searchable and citable, publishing faculty journals online, and simplifying the thesis and dissertation submission and publishing process.

PROTECT YOUR LEGACY

Preserve your valuable digital content in perpetuity through Texas Digital Library's partnership with DuraCloud, Chronopolis, and the Digital Preservation Network.

JOIN A GLOBAL ECOSYSTEM OF DIGITAL SCHOLARSHIP

Texas Digital Library is a consortium of Texas higher education institutions that empowers technology infrastructure, services, and community programs for research, teaching, and digital curation efforts; facilitates collaboration amongst a global network of digital scholars; and connects local work to a global ecosystem of digital library efforts.

ACCESS EXPERT STAFF

Texas Digital Library staff are leaders in digital preservation, digital repositories, and Open Access scholarship. Our staff make it easy to get started using all of our digital library services immediately. We are experts who strive to make your team experts too.

SECURE STORAGE AND PERSISTENT SERVICES

The open source services we use are secure and allow for persistent access to all of your content. We are an infrastructure organization, and do not own members' content; our goal is to increase visibility of your research and showcase the scholarship of your institution.

POISED FOR PERPETUAL GROWTH

Texas Digital Library was founded in response to higher education's need to prepare for the future. As you grow, your partnership with Texas Digital Library will allow you to scale up your services.

This is all we do.

Texas Digital Library focuses on a singular mission: to build capacity for preserving, managing, and providing access to unique digital collections of enduring value for leaders in higher education like you.

When you're ready to take the next step, we will be ready for you.
